✧ WOORDJE VAN DE BIVAKSEN

Especially for you, a new version of the song "Camping is the most beautiful summer sport":

Being bivaks is really nice,
the three of us are one big brain.
We fix camp with a lot of fun
And provide a lot of entertainment.

Lalalala, hey, camp on and on,
hey, tents off and on,
yes hop hop hop!

Our favorite time is dinner time,
we eat a lot with no regrets.
We rant, rave, roar every day
And always do so with a smile.

Lalalala, hey, camp every year,
hey, tents here and there,
yes we are ready!

✧ WOORDJE VAN DE VB'S

Hello everyone

It's almost unbelievable but we are almost there again: we are leaving on BIVAK, 10 days full of CHIRO. This year we go back to the sandy plains in the province of Limburg, to Oudsbergen where we camp right next to the largest land dune in Belgium. So it's a combination of forest, sand and lots of fun.

Oudsbergen used to be called Meeuwen-Gruitrode and is a camp site we have been visiting for over 20 years. We are still welcomed by the warm-hearted camp boss who knows our Chiro well. So we come home with all our belongings, and that is what we want to be as a Chiro: a home for everyone.

The experience of bivouac actually begins when you receive this bivouac booklet: quickly browse to the article of your department and be surprised by the theme. Then figure out what costume you all need. A tip for the costume: keep it simple, there's no need to buy anything new. Who likes tips, can always ask the leaders.

Peter Pan and his friends take you ten wonderful days on great adventures. With a lot of pixiedust we can dream, fly and defeat captain Hook. Hook may start shivering already: more than 100 ladies of Chiro Sint-Bartel will join Peter Pan on the hunt for him. He has been warned.

And from now on, the countdown is on:

- Getting the giggles together
- Group day
- Walking together on day trips and 2-day trips
- Joining for a 3rd time for the best food there is: camp food
- Sand everywhere
- Swing Palace
- Flat air mattresses

As adult supervisors it is a unique experience to see all this young violence give the best of itself. It's enjoying all the dirty snouts, giggles from the tent, sleepy eyes at morning laundry. It's nice to see older wards taking care of the younger wards. Because that is a big part of our Chiro story: taking care of each other and working to make sure we can tell that story for decades to come.

To the parents: you may rest assured, a warm gang is ready to let your daughter (s) experience ten crazy days. We will take care of it!

If you ask us: CHIRO!

✦ PETER PAN

Don't you feel like growing up either?
Then you're certainly not alone.

Wendy loves to tell stories to her brothers John and Michael at bedtime. But her brothers aren't the only ones who love her stories. They get a visit from Peter Pan, a boy who magically doesn't grow up and can fly. Peter Pan not only comes to listen to Wendy's stories, in the process he is joined by Tinkerbel, a fairy from Never Land. Peter Pan invites them to come with him to Neverland where he and the Lost Boys have all kinds of adventures. Wendy, John and Michael are happy to go with him; the only way to get to Neverland is to fly. Fortunately, everyone can learn to fly with a little pixie dust from Tinkerbel.

Arriving in Never-Neverland, they must immediately flee from Captain Hook and his pirates. While they are dodging the pirates, Peter Pan shows them the island and its magical inhabitants, such as the mermaids, fairies and Indians and all the other islanders...

Are you ready to have a fantastic adventure of your own in Never-Never Land?

Together with all the leaders you can meet mermaids, flee from mermaids, flee from pirates, dance with elves and much more...

Can you already feel the magic of the pixie dust tingling everywhere?

That means you are ready for the most
magical flight of your lives?

Three - two - one - fly away....

WAT STOPPEN WE IN ONZE VALIES?

It is very important that you have everything with you at camp, therefore the list below to be sure not to forget anything. May we also ask you to write your name in as many clothes and other items as possible. In this way, lost items get back to the right person faster.

We would like to ask the parents of the Pinkels and the Play Club to attach a list of everything they have in their suitcase. This is a great help for the leaders.

It is always useful to have a bag with the clothes for one day. This prevents a lot of searching and messy suitcases.

It is best to put your belongings in a suitcase or a well-sealed bag. For the Aspi's and Tiptiens, a backpack will also come in handy. Because with a suitcase on wheels it is difficult to leave on a two-day trip.

Uniform

From the Kwiks onwards everyone wears the full uniform. Playclub and Pinkels may of course also do so, but it is not yet mandatory. We want to show everyone that we are from the Chiro and therefore we all wear a beige skirt/pants and a red T-shirt. During the opening we wear stockings and closed shoes. If you are still missing something, you can always go to the Chiro store 'De Banier'.

INSCHRIJVEN VOOR HET BIVAK

You can register for the bivouac in two ways. There is the choice to register at a registration time on Sunday afternoon or online.

✦ BELANGRIJKE INFORMATIE

Bagage

You may drop off the children's luggage on Sunday, July 31, at the Karmelieten between 6:00 pm and 7:00 pm.

Do not forget this! Taking luggage on the train is not easy.

Vertrek

We are going back to public transportation at camp this year. So you do not have to bring and pick up your daughters yourself to the camp site.

Everyone, except Aspi's and Tiptiens, will leave on Monday, August 1. We gather at the station of Geraardsbergen at 8:00 am. We also bring a packed lunch and some drinks.

The Aspis and Tiptiens will receive separate information from their own leaders.

Terugkomst

We will return on Thursday, August 11 at Geraardsbergen station at 16h59. Luggage can be picked up on Friday, August 12 between 10:00 and 11:00 am at the Karmelieten.

Zakgeld

For Pinkels, Speelclub and Kwiks, 15 euros is definitely enough. Please give this to your daughter(s) in a small wallet. They can use their pocket money to buy stamps, tickets, a candy or a drink. From the Tippers onwards children are responsible for their own money..

Snoep

Too much snacking is not good so that is why we leave it at home. The kitchen makes sure we don't have to go hungry or thirsty. They provide a good variety of healthy and sweet snacks.

GSM

During camp, we do not need to be reachable at all. From Pinkels to Kwiks we ask not to bring a cell phone. For Tippers, Tiptiens and Aspis, arrangements will be made within the department.

Luizen

Every year we find that we have unwanted guests at camp. Be sure to check for lice in advance.

✦ GROEN IS HET NIEUWE GOUD

Chiro Sint-Bartel is also committed to doing its part to make our planet more sustainable. We already made some changes, but you can also help!

We strive to use no disposable washcloths since they do not promote a sustainable society. The leaders hang enough clotheslines so that the washcloths can dry every day.

There are also more sustainable options when collecting our dress up clothes. It is certainly not necessary to buy new dress-up clothes every time. There are probably plenty of clothes in your closet (or from brother, sister, mom, dad, grandpa, grandma...) that you can use as dress-up clothes. There are also many things you can craft or make yourself that you can use as dress-up clothes.

Finally, we also encourage you to bring a drink bottle instead of plastic bottles. Together we can make sure that the garbage mountain smaller.

✦ ✦ BEZOEK DAG

After two summers of bubble camps, we can finally welcome you back to our bivouac visit day. This means that on Sunday, August 7, all mothers, fathers, grandmothers, grandfathers and friends can take a look at the bivouac. So everyone gets the chance to know what it's like at our bivouac.

You are welcome on our campsite from 12.00h.

In the afternoon you can join for a nice meal, but also in the evening you don't have to go home hungry. All this at democratic Chiropractic prices.

You can participate in various fun activities, so you do not have to be bored.

At 19.00 we say goodbye to everyone.

We would like to ask you to bring your own plates and cutlery on visiting day so we don't have to use plastic plates and cutlery anymore. There will be plenty of washing-up bins on the camp site.

We assume that everyone will be able to get to the camp site on the camp site by themselves. If you have any problems to get there, just
you just give a call to the leadership and then we will
We will look for a solution.

✧ ONS ADRES

During camp, letters and cards are certainly welcome at the address below! But we don't want to make it a competition to get the most mail. We think parcels in all sizes and weights are superfluous. Getting a letter or card is just as much fun as getting a postal package, maybe even more!

**Sparrenheem
T.A.V. naam van het kind
Duinenstraat 5
3660 Oudsbergen**

May we ask the parents of the youngest to make envelopes in advance with an address on them to write to or provide labels. You are welcome to bring envelopes and stamps, but these can also be purchased at the camp.

During the camp you can reach us FOR EMERGENCY via one of our two adult counselors.

Line: 0486 40 41 62 OF Griet: 0496 34 01 43

✧ VERKLEEDKLEREN

For group day and bontering, you may dress up as someone from the movie Peter Pan. You certainly don't have to buy a costume for this, but can get creative on your own. Let your imagination run wild.

Peter Pan, Captain Hook, Wendy, one of the smart guys.... Everything is good!

As in years past, you can follow the adventures of your dearest sprouts day by day thanks to our camp radio.

Camp radio is a system whereby we broadcast a report of our adventures. This way you can listen to what your children are doing every day.

The system is very easy to use. We leave a voicemail message for you to listen to over the phone.

Procedure to follow

You can call 24/24 hours on the number:

We will be happy to answer any of your questions before camp. If you would like additional information or have a question, please feel free to call.

Once we leave for camp, the counselors will not be able to answer the phone because they are very busy with the children.

As mentioned earlier, you can call our adult supervisors Line and Griet during the camp. Who wants to stay informed about the events of the camp can listen to the camp radio report every day or take a look at our Facebook page Chiro Sint-Bartel Vrouwtjes.

DE KOOKOUDERS

Who takes care of all that delicious food and so much more at camp? Who makes sure we lick our plates? That can only be the best cooking parents in all of Chiroland. And those are of course none other than our own cooking parents of Chiro Sint-Bartel girls!

✦ CHIROWINKEL "DE BANIER"

De Banier is part of the Chiro group and ensures that Chiro members can go to more than 10 places in Flanders for clothing and materials. On the website you will find all stores in Flanders.

✦ TOT SLOT

We hope this booklet has told you everything you need to know. If you still have questions, please do not hesitate to contact one of the leaders.

We hope that you will come along en masse. We also assume that everyone will come for a full bivouac. It is always a pity when children arrive later, or leave earlier. There can always be reasons, but we would like to discuss this first with the leadership.

One thing is certain: it will be an unforgettable camp!

✦ VERGEET-MIJ-NIETJES

- Bring a packed lunch on departure.
- Drop off luggage on July 31 between 6 p.m. and 7 p.m. at the Karmelieten.
